I. THE REQUEST

Applicant: Hugh E. Bradley

Status of the Applicant: Business Operator

Request: Special Exception approval for an Electronic Gaming Establishment (SIC 7999). These businesses are often called Internet cafes, cybercafés, or sweepstakes parlors and include sweepstakes promotions using simulated gambling devices.

Location: 2665 Peach Orchard Rd.

Present Use/Zoning: Tenant Space, In-line Retail/General Commercial (GC)

Tax Map Reference: 134-00-02-020

II. BACKGROUND

The applicant is requesting special exception approval to open an Electronic Gaming Establishment (SIC 7999) at 2665 Peach Orchard Rd. in Sumter County, shown in the photograph to the right.

Electronic gaming operations are defined as, “Any business enterprise, whether as a principal use or an accessory use, where persons use electronic machines, including but not limited to computers and gaming terminals, to conduct games of chance, actual or simulated, including sweepstakes, and where cash, merchandise or other items of value are redeemed or otherwise distributed, whether or not the value of such distribution is determined by electronic games played or by predetermined results. This term includes, but is not limited to internet cafes, internet sweepstakes, cybercafés, sweepstakes

promotions, or sweepstakes parlors. This does not include any lottery approved by the State of South Carolina.”

The Applicant hopes to locate in a portion of a 6,100 s.f. multi-tenant, inline commercial space on Peach Orchard Rd. just north of Raccoon Rd. The Applicant proposes to initially occupy approximately 800 s.f., with plans to expand into another 750 s.f., for a total of approval 1,600 s.f. Today this center is mostly vacant, with Mullers Laundry open at times.

The Applicant has indicated a total number of terminals for this location to be 20 at the start, with 40 after expansion. This is a retail location with a total of 36 total paved parking spaces. The site meets the parking, landscaping, and development standards of the Zoning Ordinance.

With a maximum of 36 spaces, the site can accommodate the Applicant’s proposed current and future plans. 20 terminals require 11 spaces; 40 terminals require 21 spaces. The Laundromat requires 8 spaces.

According to the Official Zoning Map for Sumter County, the property is zoned as General Commercial (GC). The purpose of the GC zoning district is to accommodate the broadest possible range of commercial uses, determined principally by market conditions, while protecting adjacent property owners from potentially objectionable uses.

The property also falls within the Shaw Noise Attenuation Area.

Under the GC district, Electronic Gaming Establishments (SIC 7999) are considered a Special Exception which requires the review and approval of the Sumter Board of Appeals. In particular, special exceptions for electronic gaming establishments are to be evaluated in accordance with Article 1, Section 1.h.4.c and Article 3, Section 3.i.4.j and in accordance with Article 5, Section 5.b.3.k of the Sumter County – Zoning & Development Standards Ordinance.

Article 5 Section 5.b.3.k Electronic Gaming Establishments:

- 1. The use shall not be located within 300 ft., measured from structure to structure, from any church or school; and shall not be located within 150 ft. from a park, liquor store or bar; and shall not be located within 150 ft. from any other Electronic Gaming/sweepstakes establishment.*
- 2. Hours of operation shall be limited in the following manner:*
 - a. Monday to Friday – 9:00 a.m. to 2:00 a.m.*
 - b. Saturday – 9:00 a.m. to 12:00 a.m.*
 - c. Sunday – Prohibited*
- 3. Parking required: 1 space per 2 sweepstakes terminals and 1 employee space*
- 4. The minimum number of terminals per establishment: 20
The maximum number of terminals per establishment: 75*

5. *No one under 18 years of age permitted*
6. *No alcohol shall be consumed, served or available for purchase on premises*
7. *A primary use is a sweepstakes establishment with 20 or more machines. A primary use must meet all of the requirements of this section. Machines shall not be permitted as an accessory use.*

The following can be determined based on 5.b.3.k:

- As shown in the buffer map below, staff concludes the proposed location meets the Ordinance separation requirement of 300 ft. from structure to structure of a church or school and the 150 ft. separation requirement from a park, liquor store or bar. Additionally this location is not within 150 ft. of any other proposed Electronic Gaming/Sweepstakes establishment.

- As shown in the graphic below, the total number of existing on-site parking spaces is 36. There is parking available at this location to accommodate the Applicant's current and future plans. The site meets all applicable development standards.

- All other development criteria from this section have been or can be satisfied.

Article 1, Section 1.h.4.c Special Exceptions:

1. *Special exceptions are subject to the terms and conditions for the use set forth for such uses in the Zoning Ordinance.*
2. *Permits for Special Exceptions shall be evaluated by the Board of Zoning Appeals on the basis of the following criteria:*
 - a. *That the Special Exception complies with all applicable development standards contained elsewhere in this Ordinance, including landscaping and bufferyards, off-street parking, and dimensional requirements;*

- b. *That the special exception will be in substantial harmony with the area in which it is located;*
- c. *That the special exception will not discourage or negate the use of surrounding property for use(s) permitted by right.*

The following can be determined based on 1.h.4.c.2:

1. Overall, as conditioned, the site complies with the parking, bufferyard and landscaping requirements contained in the County Zoning Ordinance.
2. Staff finds that the proposed Special Exception request is in substantial harmony with the surrounding area based on the following conclusions:
 - a. The proposed location meets all separation criteria developed by Sumter County Council and reflected in 5.b.3.k. The proposed site is designed to accommodate retail and business tenants of all types and is located in the General Commercial Zoning District.

The area contains a mixture of zoning categories including GC, Agricultural Conservation (AC) across the street, and R-15 residential to the north. However, Commercial uses abut the proposed location on both sides. The nature of this area of Peach Orchard is primarily commercial.

3. Staff finds that the proposed Special Exception request will not discourage and negate the use of surrounding property for use(s) permitted by right based on the following conclusions:
 - a. The property is zoned for a wide variety of General Commercial uses. The inline location is appropriate. The proposal contained herein also meets all relevant special exception criteria. The location, on the east side of Peach Orchard, is well over 300 ft. from the nearest residential use.

III. STAFF RECOMMENDATION

Staff recommends approval of BOA-12-07 *subject to a maximum 54 terminals.*

IV. DRAFT MOTIONS for BOA-12-07

- A. I move that the Sumter Board of Appeals approve BOA-12-07, subject to the findings of fact and conclusions contained in draft order, dated June 13, 2012 attached as Exhibit 1.
- B. I move that the Sumter Board of Appeals enter an alternative motion for BOA-12-07.

V. ZONING BOARD OF APPEALS – JUNE 13, 2012

The Sumter City-County Board of Appeals at its meeting on Wednesday, June 13, 2012, voted to approve this request subject to staff's recommendation that the number of sweepstakes terminals is limited to 54 based on the 28 available parking spaces for this use.
